- Membership application to join as a new member are available online only. The membership applications are located to the right side of the page under New Membership Application for each membership category (Individual, Emeritus, New Career and Student Membership).
- It is important the new member joining NCRE complete their own online application, as many of the questions will not be answerable by the administrative assistant and/or office personnel.
- The online membership application is created to help generate the new members' membership user account, as it will collect information to create your profile.
- This data will help us serve you better by driving content and activity to your areas of interest and help better organize NCRE as a whole. As part of this process you will also be asked to create your MyNCRE Login Community Username/Password.
- After you have completed the online membership application, and payment has been processed you will receive an email confirmation to include your membership receipt, and detailed information on how to get started and access the MyNCRE membership benefits.

Payment Options

- The secure online membership form will accept Visa, MasterCard or Pay by Check.
- Paying with a credit card provides you instant membership benefits including MyNCRE Community account.

Payment Options - CONTINUED

- Paying with a check will still generate your MyNCRE Community account, however, neither it nor your online membership benefits will be available.
- Please note, once payment has been received by the administrative office and processed it may take up to 7 business days to receive an email to confirm when your full benefits have been activated.
- Once you complete the online membership application, and regardless of the payment option you select (Visa, MasterCard or Pay by Check) a copy of the membership application will be emailed to the address you provide.
- You can print or forward this email to the appropriate person if your employer and/or institution will pay for your membership.

Please Note: Dues are non-refundable and membership is non-transferable, but fully portable should you change your employer. A \$30.00 charge will be assessed for returned checks.
